The Holy Spirit—The Indwelling Spirit

There is a common way in which God is present to all of creation. Saint Paul referred to this all-enveloping presence of God when he quoted a Greek poet who said, “In him we live and move and have our being.”

But there is another entirely personal presence of God within those who love him. Jesus himself speaks of it in the Gospel of John, where he says: “Those who love me will keep my word, and my Father will love them and we will come to them and make our home with them.”

This special presence of the Trinity is properly ascribed to the Holy Spirit, for as Saint Paul proclaims, “God’s love has been poured into our hearts through the Holy Spirit that has been given to us.” This presence of the Spirit, God’s gift of love within you, is called the divine indwelling.

Prayer of Praise

Glory to the Father, and to the Son, and to the Holy Spirit;
as it was in the beginning, is now, and will forever.
